

Get to Know Us

Oaks Integrated Care is a nonprofit organization dedicated to improving the quality of life for adults, children and families living with a mental illness, addiction or developmental disability. The organization offers over 230 health and social service programs throughout New Jersey designed to meet the needs of our community with compassion.

By focusing on integrated care, it becomes possible to treat the whole person to achieve both mental and physical wellness. Through each of life's challenges, our role remains to help individuals make healthy choices, achieve personal goals and eventually reach his or her full potential.

Mission

Our mission is to empower and support individuals and families to achieve emotional and physical wellness by providing quality health and social services.

Vision

Our vision is to build healthy, strong communities.
