OUTPATIENT SERVICES

Our therapists are experienced Master's level clinicians who have been trained in a variety of therapeutic techniques including Cognitive Behavioral Therapy (CBT), Behavior Modification, marriage and family therapy, and psychodynamic therapy. Our therapists receive ongoing supervision to ensure that our clients receive the best treatment possible. We make every effort to assign a therapist who is a good match to the needs of the client.

Confidential counseling services are available in New Jersey, Pennsylvania, and Delaware. Our offices are all accessible by public transportation.

"Your present circumstances don't determine where you can go; they merely determine where you start." - Nido Qubein

OUR STORY

OMNI Health Services Inc. was founded in 2007 by Michael Thevar MSW, as a private, behavioral healthcare corporation. Omni's mission is to provide quality mental health services to a diverse population across all of its 15 sites. We are an accredited organization through Joint Commission (TJC) and celebrating over 10 years of providing quality mental health care, community service and making a positive difference in hundreds of lives.

"Respect. Diversity. Compassion. Integrity. Wellness. Collaboration."

These are the core values which provide the foundation upon which we base our day-to-day operations and guide our goals for the future.
