### 1-on-1 Peer Mentor Sessions

- **1-to-1 sessions provided by a survivor leader from YAMT** to a survivor throughout the United States
- **Utilize sessions to navigate through** community resources, mentorship, building emotional skills, job prep/support, education support, and more!
- **Nurture by YAMT wellness box** aims to bring mental health to a survivor's door, eliminating the barrier that many survivors face when not having traditional mental health services in their communities.

### Individual & Group Counseling

- **Individual Counseling Sessions**
- **Survivor-led** Support Groups & LGBTQ+ Support Group
- **Nurture Forward Directory is the first and only mental health directory** geared towards connecting community providers and private practice owners to survivors of trafficking.

### Grants/ Scholarships for School & Survivor-led Small Businesses

- We provide cash grants (no strings attached) to help survivors pay for **school-related expenses**: tuition, rent, childcare, transportation, books, materials, and the Internet to continue supporting their long-term education goals.
- **We directly invest in survivor-led small businesses** to put cash grants into their businesses in order to support them moving towards financial freedom.
- **We provide financial assistance** for survivors to gain access to therapeutic support in their local communities.

### Virtual Trainings

- **We support local nonprofits, private practice owners, and community members in** improving the skills, tools, and capacity to better support survivors of domestic trafficking & exploitation.
